JAMES H. GALTON, Auctioneer

TO AVOID MISUNDERSTANDING PLEASE READ THESE TERMS OF SALE BEFORE BIDDING

All bids are entered as received and lost distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer $1.00 for the lot, make your bid 10c.

NOTICE TO NEW BIDDERS

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE. Read the terms of sale before bidding.

REGULATIONS

This sale is being conducted under the supervision of Harry O. Levin, Attorney, under Court order and the following regulations must be carried out—

FIRST—No coin can be sent on approval, all have to be inspected in Baltimore at the First National Bank, Redwood and Light Streets, where they will be on display for three days before the sale.

SECOND—After the sale no lots will be delivered except against certified check or cash.

UNRESERVED SALE

The entire collection is to be sold without reserve and collectors and dealers now have an unusual chance to fill gaps in collections and stock at their own prices.

PERRY W. FULLER.

CONDITIONS OF SALE

1. All bids to be PER PIECE as numbered in the catalog, unless otherwise mentioned; each sale is a separate and distinct transaction.

2. The highest bidder shall be declared the buyer; in case of disputed bids the lot shall be resold, but the auctioneer will use his judgment as to the good faith of all claims and his decisions will be final. He may also reject any fractional or nominal bid calculated to delay or injuriously affect the sale.

3. All sales are to be unrestricted and without reserve.

4. Title passes upon the fall of the auctioneer's hammer, and thereafter the property is at the buyer's risk.

5. Coins will be delivered to purchasers on May 3rd at the First National Bank, Light & Redwood Streets, Baltimore, Md.

6. Buyers shall give their names and addresses and shall make such cash payments on account as may be required, in default of which the lots purchased will be immediately resold.

7. TERMS CASH. If accounts are not paid within one day following the close of the sale, or, in the case of absent buyers, when bills are rendered, the right is reserved to dispose of the goods without notice to the defaulting buyer and all costs of such re-sale will be charged to the defaulter. This condition is without prejudice to the rights of the owner to enforce the sale contract and collect the amount due without such resale at his option.

8. We have exercised great care to catalog each and every lot correctly. We endeavor both in the Catalog and at the actual time of the sale to point out any error, defect or imperfection but guarantee is not made of the correctness of the description or condition of any lot. All goods are sold "as is" without recourse and are not subject to return.

9. Purchases, if requested, will be forwarded at the buyer's risk and expense by Perry W. Fuller after they are paid for and cleared by the trustee.

— Priced Copies of this Catalog at $2.00 each after Sale —

FOREWORD

The gold coins described in the following pages were unearthed on August 31, 1934 in the cellar of the premises, 132 South Eden Street, Baltimore, Maryland by Theodore Jones and Henry Grob, minors.

Judging from the appearance of the coins, the copper receptacle in which they were found, and other circumstances, the coins were presumably buried about the time of the Civil War.

The news of the find created much interest in Baltimore and throughout the United States, and resulted in litigation in the Circuit Court No. 2 of Baltimore City, by the decree of which the treasure was awarded to the finders.

The coins are in unusually good condition. Many could be described as uncirculated although we have described them only as Fine to Very fine.
